

CONSENT, RELEASE, AND WAIVER OF LIABILITY

As a condition of permitting me and/or my minor child or dependent to participate in the program on the Fermi National Accelerator Laboratory (Fermilab) site, I agree to the following:

I certify that there are no health-related reasons that would preclude participation in the activities. I provide permission for my minor child or dependent to participate in the activities on the Fermilab site.

I agree that I and/or my minor child or dependent will comply with all rules, posted signage, and directions for Fermilab site access and for activities on the Fermilab site. I acknowledge that failure to do so may result in removal from and denial of access to the Fermilab site.

I understand that there are risks in participating in activities on the Fermilab site that may involve the potential for injury or property loss. The risks include, but are not limited to, those caused by the facilities or site conditions, condition of the participants, equipment, and actions of other people. I acknowledge and voluntarily assume those risks for me and/or my child or dependent.

I consent to receive, or for my minor child or dependent, to receive first aid or medical treatment that may be advisable in the event of an injury, accident, or illness while on the Fermilab site. I acknowledge that medical insurance coverage is not provided by any entity or person associated with the Fermilab site or activities.

I voluntarily **WAIVE, RELEASE, AND DISCHARGE** from any and all liability for death, bodily injury, property damage or theft, or actions of any kind which may occur during my participation in activities on the Fermilab site, the following entities and persons: Fermi Forward Discovery Group, LLC, the University of Chicago, Universities Research Association, Inc., the United States Department of Energy, and their respective employees, agents, officers, directors, and activity sponsors or volunteers. This waiver and release applies to liability whether caused by the negligence or fault of the released entities/persons or otherwise. I agree to **INDEMNIFY, HOLD HARMLESS, AND PROMISE NOT TO SUE** the entities or persons identified above for any claims arising from participation by me and/or my minor child or dependent in activities on the Fermilab site.

I understand that photographs, videos, sound recordings, or names may be taken of participants in activities on the Fermilab site. I consent, authorize, and agree Fermi Forward Discovery Group, LLC, the activity sponsor, or the United States Department of Energy may use, distribute, edit, reproduce, and publish the names, likeness, recordings, words, and voices of me and/or my minor child or dependent without any payment or additional consideration to me or my minor child or dependent.

This Consent, Release, and Waiver of Liability shall be construed broadly to provide a release and waiver to the maximum extent permitted by applicable law. If any portion is determined to be invalid, the remaining portions shall not be affected.

I have read and understand this document and am aware that it includes a release and waiver of liability. I sign this document voluntarily and of my own free will.

I acknowledge that I have been informed of any potential radiation above background levels that I may be exposed to during this event. I voluntarily accept this risk. This Consent, Release, and Waiver of Liability applies to potential radiation exposure.
